

Eagles Through Mountains

Alto

Martin Jakeman

$\text{♩} = 62$

Chorus 1

5 They flew up. "How high?" Way up in the sky_ The boys in the gli-ders caused

quite a sur-prise. They went up. "How high?" Way up in the sky__ Like

8 ea-gles through mount-ains they'd si-lent-ly glide. To help them fly

13 up. "How high?" Way up in the sky_ The boys in the gli-ders caused quite a sur-prise. They went

17 up. "How high?" Way up in the sky_ Like ea-gles through mount-ains they'd si lent ly glide.

21 Be-cause they flew up. "How high?" Way up in the sky_ The

26 boys in the gli- ders took them by sur-prise. They went up. "How high?" Way

29 up in the sky_ Like ea-gles through mount-ains they'd si lent ly glide. They flew

33 up. "How high?" Way up in the sky_ The boys in the gli ders caused quite a sur prise. They went

37 up. "How high?" Way up in the sky__ Like

39 ea gles through mount ains they'd si lent ly glide.
