

Eagles Through Mountains

Tune

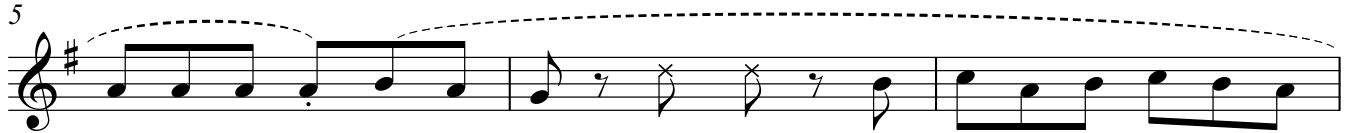

Martin Jakeman

♩. = 62

Chorus 1

They flew up. "How high?" Way up in the sky_ The boys in the gli-ders caused

quite a sur-prise. They went up. "How high?" Way up in the sky_ Like

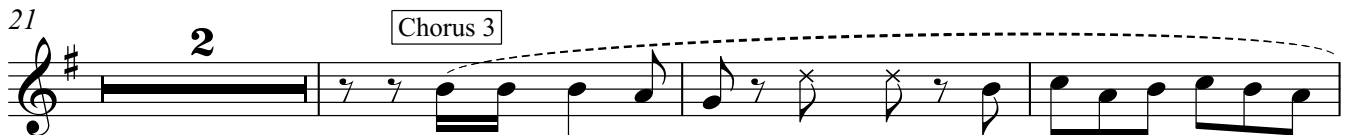

ea-gles through mount-ains they'd si-lent-ly glide. To help them fly

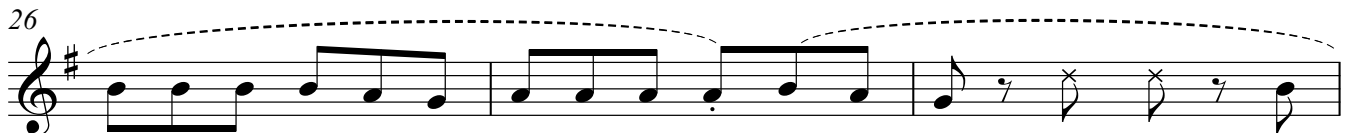

up. "How high?" Way up in the sky_ The boys in the gli-ders caused quite a sur-prise. They went

up. "How high?" Way up in the sky_ Like eagles through mount-ains they'd si lent ly glide.

Be-cause they flew up. "How high?" Way up in the sky_ The

boys in the gli- ders took them by sur-prise. They went up. "How high?" Way

up in the sky_ Like ea-gles through mount-ains they'd si lent ly glide. They flew

up. "How high?" Way up in the sky_ The boys in the gli ders caused quite a sur prise. They went

up. "How high?" Way up in the sky_ Like

ea gles through mount ains they'd si lent ly glide.
